About HSHS Medical Group

HSHS Medical Group is the physician organization of Hospital Sisters Health System (HSHS). Launched in 2009, HSHS Medical Group is a critical component of the HSHS Care Integration strategy, which focuses on bringing physicians, technology and patients together to improve the overall health of our communities. Today, HSHS Medical Group is comprised of over 1,300 colleagues in locations throughout Central and Southern Illinois. HSHS Medical Group is powered by the Franciscan history of the Hospital Sisters of St. Francis, and our faith-based identity led us to the single most important tenet of the HSHS Medical Group philosophy—patient-first care.

About Hospital Sisters Health System

Hospital Sisters Health System’s (HSHS) mission is to reveal and embody Christ’s healing love for all people through our high-quality, Franciscan health care ministry. HSHS provides state-of-the-art health care to our patients and is dedicated to serving all people, especially the most vulnerable, at each of our 15 Local Systems and physician practices in Illinois (Breese, Decatur, Effingham, Greenville, Highland, Litchfield, O’Fallon, Shelbyville and Springfield) and Wisconsin (Chippewa Falls, Eau Claire, Oconto Falls, Sheboygan and two in Green Bay). HSHS is sponsored by Hospital Sisters Ministries, and Hospital Sisters of St. Francis is the founding institute.
